DOCUMENTS SUBMITTED:

BENRO endorsement	Lot Data Comp.	V-37	LGU Inv./Ver. Report
1 Mylar Sketch Plan	Traverse Comp.	Cadastral Map	Tax Dec/Lot Title
3 Blueprint Sketch Plan	Field Notes & cover	Geo-tagged Photos	E-copy of TD
Others:			

AREA STATUS/FINDINGS:

1	Based on the submitted sketch/survey plan and projection in the Mining Tenement control map of this office, the applied area is free of conflict from any existing mining rights issued and mining applications processed by this Office. But the applied area is within the SAFDZ/ NO GO ZONE. However, the applicant secured from DA-10 a Joint Ground Evaluation report under the NO GO ZONE with recommendation to be excluded from SAFDZ/NO GO ZONE.
2	The Sketch Plan's Tie-line from _____ to corner1 does not coincide with the labeled geographic coordinates of corner1. The former must be change from _____ to _____ to conform with the latter, which also conforms with the actual ground features based on Google Earth projection and actual field verification by _____ Technical Personnel.

CONCLUSION : Open to Mining Application.

RECOMMENDATION : For issuance of Area Status/Clearance, however, the applicant must submit a corrected sketch plan based on the issued Area Status/Clearance to this Office and secure additional proof of ownership or consent from affected lot owner/s.

The result of projection is based on the existing Control Map of MGB-X subject to field verification by the LGU concerned.

ATTN:

Dear

Respectfully furnished herewith is a copy of the Area Status/Clearance for the (Mountain) Quarry Permit expansion application of _____ located at _____ prepared by Mineral Land Survey Section Personnel of this Office.

The subject Mountain Quarry permit application was verified and evaluated by Technical Personnel of this Office and was found to be free from conflict with existing mining rights issued and mining rights applications processed by this Office. The same application was previously denied because the applied area is within the SAFDZ/ NO GO ZONE. However, the applicant had secured a DA-MGB-X Joint Ground Evaluation report, recommending that the subject area shall be excluded from SAFDZ/NO GO ZONE. Thus, this office issued an Area Status /Clearance to the proponent, subject to the submission of a sketch plan with corrected tie-line from _____ to _____. (Attached is a copy of the Area Status/Clearance.)

Thank you.

Very truly yours,

RODANTE B. FELINA
Officer-in-Charge
Regional Director
