ATTN:

Dear

Respectfully furnished herewith is a copy of the area status verification/evaluation report of the Commercial Sand and Gravel Permit application of _____ located at _____ prepared by Mineral Land Survey Section Personnel of this Office.

The subject Commercial SAG Permit application of _____ was verified and evaluated by Technical Personnel of this Office and was found to be free from conflict with any valid and existing mining rights issued and mining rights applications processed by this Office and is outside the NO-GO-ZONE, but portion of the applied area is within dryland. Thus, this Office issued an Area Status/Clearance in favor of the applicant subject to the condition that no extraction shall be done within the easement of public use as provided under Article 51 of Presidential Decree No. 1067 otherwise known as the Water Code of the Philippines. The applicant must also submit or show additional proof of ownership or consent from the affected lot owners. These documents shall be presented during the Technical Working Group (TWG) review and evaluation and/or PMRB deliberation. Additionally, the LGU concerned should post a notice of application in the concerned barangays and agencies prior to the approval of the permit to avoid future conflict. (Attached is a copy of the Area Status/Clearance.)

Thank you.

Very truly yours,

RODANTE B. FELINA
